

网页版：

先进入github的页面，进行登录注册

(访问：<https://github.com/>，服务器在国外，访问自然有点慢，耐心等待)

The screenshot shows the GitHub homepage with a dark background and a white login/register form. The form has fields for Username, Email, and Password. Below the Password field is a green button labeled "Sign up for GitHub". The background text reads "Built for developers" and "GitHub is a development platform inspired by the way you work. From open source to business, you can host and review code, manage projects, and build software alongside 31 million developers." Below the form, there is a section for "Get started with GitHub Enterprise" with a "Contact Sales" button and a link to "Or start a free trial of Enterprise Server".

点击红色框进行登录注册，(用户名很容易重复，可以尝试自己的名字缩写+学号；密码至少8位，包含字母数字；邮箱最好用自己的，需要验证)注册只用Step1就行，不需要开通后面组织的東西
